135 Sites available for seniors

The Edgefield County Senior Citizens Council has two nutrition sites that are available for any senior over 60.

The sites feature hot meals, daily exercise, activities and socialization.

The sites are the Edgefield at the Neighborhood Center on Church Street, and Bettis Academy on Nicholson Road in Trenton.

Transportation can be provided to both of these sites on a daily basis.

In efforts to increase attendance at both sites, the ECSCC is asking that anyone interested in receiving transportation to one of these sites to contact Larry Bowe, at 637-4138 for Edgefield or Mary Bright at 663-6121 for the Trenton site.

At the Bettis Academy site we ask that anyone who is presently attending the site and would like to receive transportation also to contact the agency.

The transportation route for both sites will run daily from 9 - 10 a.m. for pick up time and 1:30 - 2 p.m. for departure. All seniors in the county are urged to contact one of the above persons to make arrangements for senior center transportation.
